

AFN arts and crafts merchants

Will you be selling arts and crafts at the AFN Convention to be held in Anchorage October 14-16? Are you interested in participating in the special NBA authorized VISA merchant program during the convention? Would accepting VISA/Mastercards for your merchandise increase your sales possibilities? If so, please contact **Claude Demientieff** at 263-2147 for more information and an application packet! Time is already short. If you want to take advantage of increased sales opportunities at the AFN Convention we need to have your application by Sept. 25th 1993. ■
