Made from
a
star-spangled
recipe that's
25 years old

The cake above
is something we
whipped up to
help celebrate the
25th birthday of
the United States Savings
Bond program.
Although there will be no
confetti, no horn-blowing—
in fact, no party—there are
a number of reasons to cele-
brate this quarter-century
observance.

Since the first one was sold
on May 1, 1941, Americans
have bought more than \$150
million worth of Series E
and H Bonds and still buy
them at a \$4-\$5 billion-per-
year clip.
About \$100 billion have been
cashed and spent for homes,
college tuition, new cars
and furniture, emergencies
—and helping dreams come
true for millions of Ameri-
can families.

Today there are outstanding
almost \$50 billion in
Bonds — a solid financial
rock for millions of Ameri-
cans.
And today, Savings Bonds
are a sure way for all
Americans to support our
men in Vietnam. While they
are there, none of us can
remain aloof on the side-
lines.
