

Same setting,

different props.

We've merged! Alaska International and Great Northern have merged and combined 67 years of collective flying experience into one great company...Alaska International Air.

Alaska International is now offering regularly scheduled cargo service to those Alaskan points previously served by Great Northern. We're combining this new service with our many years of experience in worldwide charter activities.

**Great
Northern
Airlines is
now Alaska
International
Air.**

You've counted on us in the past for dependable, reliable charter cargo service. You can count on us to deliver the same trusted service with our new schedule to Anchorage, Fairbanks, Nome, Kotzebue, Barrow, Bethel and Prudhoe Bay (Deadhorse). And now with service to Cold Bay and Dutch Harbor /Unalaska.

Alaska International. Now with scheduled cargo service.

alaska international air

Alaska's largest all-cargo carrier.
