Moments of pleasure

Dear Editor:

Enclosed you will find a
check for a *Tundra Times*
subscription.

I am certain my family and I
will enjoy reading the paper.

My wife and I visited Alaska,
touring in our motor home, for
two months in 1990. It was a
glorious time! We were in
Anchorage two different times
for several days.

Thank you again and I am
certain we will get many
moments of pleasure from
reading your publication.

Sincerely,
Phil Wright

Penpals wanted

Dear Ms. Richards,

I came across an article in the
New York Times concerning
the *Tundra Times*. I am a sixth
grade teacher in a suburb of
New York City. We will begin
reading a book called "Julie of
the Wolves" which deals with
the conflicts a young girl faces,
in regard to modern technology
versus old customary ways.

I would very much appreciate
if you could take these letters
written by sixth graders and
give it to a school that could
provide penpals for each
student. I would very much
like to foster a greater under-
standing of diverse cultures as

we are multi-ethnic as well.

Thank you for your attention
in this matter.

Sincerely,
Sharyn Reiner

ing to have the packet may write
