

Borough blotter

On Feb. 20, at about 2000 hours, Public Safety Officers in Wainwright received word that four residents of Atkasak were driving snowmachines to Wainwright with up to five cases of alcoholic beverages.

The officers set up surveillance and at about midnight two snowmachines with sleds matching the description entered Wainwright and were stopped at a local residence.

Officer Stevenson spoke with Richard Bordeasux, (April 23, 1964), who stated he had brought in a quantity of alcohol. The four persons on the snowmachines accompanied Officers Early, Stevenson and Sarren to Public Safety where they were questioned. The four persons, Bordeaux, Henry Simmonds (Dec. 27, 1971), Sharon Ahngasuk (Feb. 9, 1972) and Loila Ita (Feb. 28, 1974) were all advised they would be charged with importation of alcohol into a dry village and released. Public Safety confiscated one snowmachine and sled along with 23 bottles containing 750ML of vodka and 3 bottles containing 1.75 liters of vodka.
