**We want
to take better care
of you.**

We believe providing health care coverage means more than just processing forms and paying bills. To us, it means helping people.

That's why we make these promises

We'll do our best to give you coverage that pays for the bulk of your hospital and medical expenses.

We'll constantly work to keep the cost of health care down.

We'll continue to maintain a claims office here in Alaska to make sure your claims are paid as fast as possible.

We'll gladly answer any questions about your coverage, anytime. That includes re-examining claims if you think there's been some mistake.

In short, we'll do everything we can to help. We want to take better care of you.
