(Continued from page 6)

18a. A trail leading east and west across Regional selected lands in protracted T. 8 S., R. 14 W., Umiat Meridian, to public lands.

18b. A trail from the confluence of the Colville River and the Oolamagavik River in protracted T. 5 S., R. 9 W., Umiat Meridian, along the right bank of the Oolamagavik River to public lands to the south.

1. (EIN 23-C) The general right to enter upon the lands herein granted for cadastral, geodetic or other survey purposes is reserved together with the right to do all things necessary in connection therewith.

m. (EIN 24-C) An easement for the transportation of energy, fuel and natural resources which are the property of the United States or which are intended for delivery to the United States or which are produced by the United States. This easement also includes the right to build any related facilities necessary for the exercise of the right to transport energy, fuel and natural resources including those related facilities necessary during periods of planning, locating, constructing, operating, maintaining or terminating transportation systems. The specific location of this easement shall be determined only after consultation with the owner of the servient estate. Whenever the use of such easement will require removal or relocation of any structure owned or authorized by the owner of the servient estate, such use shall not be initiated without the consent of the owner of such improvement; provided, however, that the United States may exercise the right of eminent domain if such consent is not given. Only those portions of this easement that are actually in use or that are expressly authorized on March 3, 1996 shall continue to be in force.

The grant of lands by the interim conveyance shall be subject to:

1. Issuance of a patent confirming the boundary description of the lands granted after approval and filing by the Bureau of Land Management of the official plat of survey covering such lands.
2. Valid existing rights therein, including but not limited to those created by any lease (including a lease issued under section 6(g) of the Alaska Statehood Act (72 Stat. 339, 341), contract, permit, right of way or easement, and the right of the lessee, contractee, permittee or grantee to the complete enjoyment of all rights, privileges and benefits thereby granted to him.

All of the lands contained in the following oil and gas leases are herein approved for interim conveyance; therefore, in accordance with the provisions of section 14(g) of the Alaska Native Claims Settlement Act, the United States will waive

administration of the leases and transfer them to the Arctic Slope Regional Corporation when conveyance of the lands is issued.
