

Sometimes folks like to meet the family of a candidate, so we'd like to introduce you to the Hackneys. In the back row, Art and Glenn Alan, both born in Alaska, both working in Fairbanks. In the front row the lively ones, Mary and Ruth, granddaughters, and we're plenty proud of them. We're Glenn and Esther. And you say, 'what are you trying to tell me?' Well, we're rooted in Fairbanks. I work for a living just as you do, face the same problems you face. I think I can represent you in the State Senate, honestly. Please vote on Nov. 2nd, I'd appreciate your vote.
