

THE LAST ARE FIRST—These Mount Edgecumbe students had to wait until everyone else had gone hame before space was found for them to fly out of Sitka. But they were first in one respect. They rode the first commercial jet from Sitka to Fairbanks on Alaska Airlines' innaugural flight north. Right to left are Irene Titus, Minto; Tudy Honea, Ruby; Adam Linn, Barter Island; Dick Etageak, Unalakleet and Dennis Kennedy, Fairbanks.
