

EIO Committee Meets Tonight at Careage North

By MARC OLSON

A meeting of the Eskimo-Indian Olympics Committee will be held at 7:00 tonight at Careage North.

Experienced blanket toss pullers are needed for all three nights of the Olympics, July 31, August 1 and 2. Pullers will be granted free admission to the games, and it is hoped that the same pullers will attend all three evenings. Anyone who is experienced and interested may contact the Tundra Times.

Jerry Woods, Olympics Chairman has announced the plans of a group of Canadians to attend the '75 Olympics. They will come to Fairbanks immediately after the end of the Northern Games in Canada, July 25-28, where a number of Alaskan Natives will compete.

Applications are being accepted for Olympics Queen Contestants. Anyone who is interested or knows of a possible candidate may contact Teresa Peoples at the Native Center in Fairbanks (452-1648). Applications are being sent out to the Regional Corporations in the near future.
