

C & L Fun Center

1817 COLLEGE ROAD
FAIRBANKS, ALASKA

ALL NEW!

The transaxle drive, which is an enclosed gear reduction case, eliminates all daily maintenance normally needed with chain drives.

THREE WHEELER

Commuter is a modern day horse providing dependable transportation for all types of farm and ranch work. A vehicle with many uses such as mending fences, herding livestock, hunting, fishing, checking the irrigation, or just plain riding for fun.
