

Barnes runs for Senate

Bill Barnes, 69, has filed to run for the Alaska State Senate in District I, Seat B, as a Republican candidate. Barnes is a graduate of Harvard College where he received a bachelor's degree in modern European history. After World War II he earned a masters degree in business administration from the Harvard Business School. In 1970 Barnes moved to Anchorage. Barnes said he would bring to the State Senate over 40 years of experience in business. "During these years I have either run my own business or I have been self employed," he said. He said this is in contrast to many members of the Alaska Legislature, people he called "professional politicians."

STATE OF ALASKA NOTICE OF PUBLIC HEARING FT. YUKON AIRPORT IMPROVEMENTS

In compliance with Public Law 97-248, the Airport and Airway Improvement Act, a notice of formal public hearing for Ft. Yukon Airport is being offered at this time. A hearing will be held for the purpose of considering the economic, social and environmental effects of the development and its consistency with the goals and objectives of such urban planning as has been carried out by the community. The meeting will be held at 6:30 p.m. in the Museum at Ft. Yukon, Alaska on January 22, 1990.

The State of Alaska, Department of Transportation and Public Facilities is proposing to upgrade the airport at Ft. Yukon. The existing float pond (Hospital Lake) and parking area does not meet Federal Aviation Administration requirements for safety. The existing runway is creating dusty conditions and ruts. The apron needs to be expanded to allow for more lease lots and a future partial parallel taxiway will be necessary to access the apron. Land will need to be acquired to protect the airport and allows for expansion.

Two projects, one each in FY 90 and FY 93, are being designed to address the deficiencies. The FY 90 project is Float Pond Improvements and will upgrade the float pond access road and construct a ramp aircraft parking area. An Environmental Assessment is being prepared and a draft will be available to the public by December 22, 1989 at State of Alaska, Department of Transportation and Public Facilities, Environmental Section, 2301 Peger Road, MS 2550-08.

The second project in FY 93 will construct additional apron and resurface the runway. Dust control measures will be examined for the runway.

The FY 90 Float Pond project will have wetland and floodplain involvement and will comply with Executive Order 11990, Protection of Wetlands and Executive Order 11988, Floodplain Management.

T. 30 N., R. 18 W.
T. 31 N., R. 18 W.
T. 32 N., R. 18 W.
T. 30 N., R. 19 W.

A notice of the decision was published in the FEDERAL REGISTER On Dec. 18, 1989. Any public easements to be reserved and third-party interests involved are identified in the decision. Copies of the decision may be obtained by contacting the Alaska State Office of the Bureau of Land Management, 222 West Seventh Avenue, #13, Anchorage, Alaska 99513-7599 (907) 271-5960).

Any party claiming a property interest which is adversely affected by the decision, an agency of the Federal government, or regional corporation, shall have until January 17, 1990 to file an appeal. However, parties receiving service by certified mail shall have 30 days from the date of receipt to file an appeal. Appeals must be filed in the Bureau of Land Management at the address identified above, where the requirements for filing an appeal may be obtained. Parties who do not file an appeal in accordance with the requirements of 43 CFR Part 4, Subpart E, shall be deemed to have waived their rights.
