BETHEL'S OLD BIA SCHOOL BUILDING AVAILABLE AT NO CHARGE — SOME FINANCIAL ASSISTANCE TO MOVE IT ALSO AVAILABLE

In contemplation of a land trade between the federal government and the Bethel Native Corporation, the Old BIA School on Tundra Street, between First and Second Avenue in downtown Bethel must be moved. The government has determined that the building, constructed in 1931, is eligible for inclusion in the National Register of Historic Places and should be preserved in the community of Bethel.

The 50' x 64' two-story building must be moved by January 31, 1990 to make room for development planned by the Bethel Native Corporation. The Old BIA School building contains approximately 3600 square feet and was last used in 1982 as living quarters and office space. The new owner would have to agree to preserve the existing exterior facade. Assistance in paying for the movement of the building is available from the government.

Interested parties must contact BLM no later than December 31, 1989. Agreement to accept and move the property must be reached and the building actually moved by January 31, 1990, unless the deadline is extended by Bethel Native Corporation.

This action is being coordinated by the Bureau of Land Management, Alaska State Office in Anchorage. For more information call BLM Realty Specialist Mike Haskins at (907) 271-3351 or BLM Public Affairs at (907) 271-5555. Persons interested in viewing the building should contact Mr. Charlie Bunch, Acting Superintendent, Bethel Agency at (907) 543-2726.
