ARCO Wants to Help 12 Seniors Become Freshmen Again.

ARCO announces the annual scholarship program for Alaska high school seniors.

ARCO wants to help twelve deserving high school seniors continue their quests for education. That's why each year ARCO awards ten scholarships worth \$1,500 and two \$500 alternate scholarships to high school seniors in Alaska. And the search is now on for this year's winners.

ARCO scholarships can be used to pay for room, board, books and tuition at academic or vocational institutions of higher learning anywhere in the United States.

If you're a senior who thinks the future looks exciting both for you and Alaska, let us know. Ask your guidance counselor or advisor for an application. You just may be one of the future freshmen we're searching for.

Application deadline is February 15, 1987.
