• *ANEC to host national education conference*

(Continued from Page Two)

During the first annual membership meeting, elections will be held for nine parent members, three educators, three students and two alternates with staggered terms. The first annual membership meeting will be discuss-

ed by the ANEC Board of Directors at their meeting July 18 in Dillingham. Also, a fund-raiser dance will be held that evening.

The ANEC is the host committee for the 21st Annual National Indian Education Association Conference to

be held the first week of October 1989 in Anchorage. Preparation for the conference has been initiated with fundraisers being planned. Volunteers will be needed from communities statewide with JOM/Indian Education Programs for the membership drives and local fund-raising activities.

The organizing members of the ANEC would like to thank you for taking the time to read this letter.

Sincerely,
Bobby Andrew, Chairman
Dillingham
