The Honorable John Butrovich  
Alaska State Senator  
1039 Fifth Avenue  
Fairbanks, Alaska 99701  
Dear John:  
Please consider this letter to be my hearty endorsement of your candidacy for another term in  
the Alaska State Senate.  
Your record with the Alaska Legislature is one of the most admirable and the people of the rural  
communities have found you to be a strong supporter of our rights, an important point especially  
in the midst of pipeline impact. It is obvious from your record in the Senate committees on Finance  
and Resources, in which I have had the pleasure of serving with you, that you have and will  
continue to put the people of Alaska's economic, social and political problems at the top of your  
list of priorities.  
We need in the Alaska Senate more people of your caliber; people who can look at a number of  
important issues facing our state today intelligently, knowing what important questions must be  
asked and answered. To that, may I add, we need people who recognize a number of traditional  
values and needs of Alaskans and who will not compromise these values in the face of growing  
pressures. Your record as a legislator shows how well you meet these demands.  
With kind regards,  
Very sincerely,  
John C. Sackett  
State Senator
