WE'RE HELPING TO KEEP THE ARCTIC GREEN.

During February and March of 1974, A.I.A. airlifted 33 flights of building materials; fuel, and camp units for temporary housing to Nuiqsut, 200 miles east of Pt. Barrow. Which was our way of helping Inupiat Builders provide new homes, a new clinic, school, store, power plant, post office, jobs for more than 30 men, and the kind of economy that will stay green long after the next snowflake falls.
