

Subscribe Now At Old Rates

Before the Tundra Times goes weekly in February, the management is offering to new and current subscribers the rates that are now in effect. New and higher rates will become effective after the newspaper becomes a weekly.

If the people subscribe now, their subscriptions will be honored at the old rates even though they will be receiving twice as many papers.

In order to take advantage of this liberal offer, our readers are invited to fill out the blank appearing on page eight in today's issue.
