CHOOSE THE ARMY AND TAKE YOUR CHOICES.

When it comes right down to it, the Army is an Army of choices.

You can choose the kind of training you want, from over 300 skills, many of them technical, many of them with civilian job applications.

If you qualify, you can choose to go into certain Army skills that offer you a cash bonus for making the choice.

You can choose to train in certain designated places. You can even choose a European Buddy enlistment. This means that from two to five people from the same town can train together and stay together for 12 months in Europe.

You can choose a skill that entitles you to participate in the Army College Fund.

You can choose to enlist for only two years, in some skills.

Check out how many choices you can make. See your Army Recruiter.
