SOLICITATION OF INTEREST

The Department of Education, Food and Nutrition Services, is seeking interested individuals or firms that have the capability of performing a Cost Analysis Study of the USDA Food Distribution Program within the State of Alaska. The purpose of the study is to evaluate the existing distribution system and compare it with an existing commercial system. Firms that have the capability of providing this service must be able to provide detailed information on freight costs, cost per case and per pound for frozen, chilled and dried products; identify freight agents and/or commercial firms that have the ability to warehouse, handle and distribute USDA food items in Anchorage and Fairbanks and for destinations services via these locations. In completing the cost analysis study the contractor must identify handling, distribution, freight and warehousing costs for each commercial firm, and determine whether consolidation and warehousing of USDA commodities is more cost effective than distributing commodities as they are received.

Letters of interest are to be submitted by 4:00 p.m., Monday, September 11, 1989 to:

BLM

Public Notice to Village Residents

The village corporation shown below has now officially filed with the Bureau of Land Management (BLM) a map of the village boundaries. This map shows all of the parcels of land the village corporation has identified as qualifying for transfer of ownership, such as houses, businesses, etc., under Section 14(c) of the Alaska Native Claims Settlement Act (ANCSA). 43 USC 1613(c). This section of the Act requires the village corporation to identify and convey to any Native or non-Native occupant, title to the surface estate in the tract occupied in 1971 as a primary place of residence, primary place of business, subsistence campsite, headquarters for reindeer husbandry, or for certain other specified purposes.

If you have an interest in such land, you should contact the village corporation to review the map of boundaries to be sure the map includes your claim.

VILLAGE — CORPORATION

SOLOMON: SOLOMON NATIVE CORPORATION

The official filing date of the map of boundaries is:

AUGUST 11, 1989

Federal regulations state that any conflicts among potential transferees or between the village corporation and such transferees are to be resolved before the map is submitted to BLM. 43 CFR 2650.5-4 (c) (1).

The Bureau of Land Management does not have any authority to adjudicate transfer decisions. Any disputes over 14(c) transfers must be resolved between the village corporation and the individual.

If you disagree with the village corporation's boundary decisions, you should contact the corporation. If the disagreement is not resolved, you must start a court action *within one year of the date shown above*. If you have a dispute and do not start a court action within one year, you will forfeit your claim. Alaska National Interest Lands Conservation Act (ANILCA), Sec. 902(b).
