ARCO ALASKA SALUTES ELAINE GRIFFIN

Elaine Griffin represents the very best in teaching. Just ask the 37 students of Chiniak School on Kodiak Island—or the thousands of people that she's met in the past year.

Traveling around the world, Elaine has shared her belief that we must blend community and classroom. In a quiet and confident voice, she says this is the key to giving our children the skills they'll need in the new millennium.

At ARCO Alaska, we share Elaine's commitment to community. That's why we encourage our employees to volunteer as classroom tutors, student mentors and school speakers.

ARCO Alaska is proud to be a partner in the development of Alaska's most precious resource: our children. And before she returns to her schoolhouse by the sea, we want to thank Elaine Griffin for sharing her spirit, her energy, and for encouraging all of us to take part.
