NOTICE OF PROPOSED CHANGES IN THE REGULATIONS OF THE STATE BOARD OF EDUCATION

Notice is given that the State Board of Education, under authority vested by AS 14.07.060, proposes to repeal, adopt and amend regulations in Title 4 of the Alaska Administrative Code, dealing with fees charged by the state film library and health sciences library to implement and interpret AS 14.56.030 as follows:

1) 4AAC 57.200 is amended to provide for a fee of \$25 per tape for duplication of instructional materials by the State Film Library.

2) 4AAC 57.200, as adopted by the State Board of Education is amended by providing a transaction-based schedule of fees charged by the Health Sciences Library.

These changes are being proposed because the film library and the health sciences library fees have been insufficient to cover costs, and because

the subscription based fees lent itself to a person paying the fee and then requesting services for others.

Notice is also given that comments may be made in writing to the Commissioner's Office, 801 West 10 Street, P.O. Box F, Juneau, Alaska, 99811, before 4:30 p.m. on January 23, 1989.

This action is not expected to require an increased appropriation.

Copies of the proposed regulations may be obtained by writing to the Commissioner of Education, P.O. Box F, Juneau, Alaska, 99811.

The State Board of Education, upon its own motion or at the instance of any interested person, may thereafter adopt these or other proposals dealing with the same subject matter without further notice or may decide to take no action on them.

NOTICE OF PROPOSED CHANGES IN THE REGULATIONS OF THE STATE BOARD OF EDUCATION

Notice is given that the State Board of Education, under authority vested by AS 14.07.060, proposes to repeal, adopt and amend regulations in Title 4 of the Alaska Administrative Code, dealing with Museum Assistance Grants, Admission Fees and fees for Extraordinary Services to implement and interpret AS 14.57.010(b)(6) and (b)(10); and AS 14.57.010(b)(9) as follows:

1) 4AAC 58.200 is added to state the purposes for which museum grants may be given. 4AAC 58.210 is added to provide eligibility criteria for museums and museum-related agencies. 4AAC 58.220 states the procedure for application for each year's grants. 4AAC 58.230 provides the procedures for decisions on awards and amounts. 4AAC 58.240 provides for amendment of applications. 4AAC 58.250 provides a procedure for review of decisions on awards by the Division of State Museums to the State Board of Education. 4AAC 58.260 requires grant recipients to make reports and account for use of grant funds to the department. 4AAC 58.900 defines certain terms used in the above sections.

2) 4AAC 58.010 is amended to permit the Alaska State Museum to increase fees for admission, and to permit charges for extraordinary services requested of museum professional personnel.

These changes are being proposed to institutionalize and regulate museum assistance grants to local museum related agencies; and to permit the State Museum to increase admission fees and to charge a fee for extraordinary professional services, because current revenues are not sufficient to meet related expenses.

Notice is also given that comments may be made in writing to the Commissioner's Office, 801 West 10 Street, P.O. Box F, Juneau, Alaska, 99811, before 4:30 p.m. on January 23, 1989.

This action is not expected to require an increased appropriation.

NOTICE OF UTILITY TARIFF FILING

The ALASKA PUBLIC UTILITIES COMMISSION hereby gives notice that ALASCOM, INC. (Alascom), has filed a tariff revision (TA257-96) to detariff and deregulate intrastate Telex and Telegram services.

Presently, Alascom's tariff is divided into the following sections:

1. Application of Tariff
2. Directory of Stations
3. Message Telephone and Telegram Rate Milages
4. Message Telephone Service
5. Message Telegram Service
6. [Deleted Section]
7. Private Line Service
8. Telex Service

Alascom proposes to revise its tariff by deleting all the provisions of Sections 5 and 8 and by deleting references to Telegram and Telex services where they appear elsewhere in the tariff.

Alascom states that it will continue to supply both Telex and Telegram services on a deregulated basis until there is no demand or a more sophisticated method takes their place.

If after investigation the Commission finds a rate or classification different from that proposed by Alascom is reasonable, the Commission may approve a rate or classification which varies from that filed.

Detailed information may be obtained from the utility whose address is 210 E. Sturt Rd., P.O. Box 196607, Anchorage, Alaska 99519-6607. Alascom states that customers with questions regarding this filing may contact Elizabeth Gilbert, Manager, Switched Services, in Anchorage they should dial 264-7394. The filing may be inspected at the offices of the Alaska Public Utilities Commission, 420 "L" Street, Suite 100, Anchorage, Alaska 99501-1987.

Any interested person may file a statement of views favoring or opposing this tariff filing with the Alaska Public Utilities Commission. While comments will be considered by the Commission in determining the appropriate action to be taken, they will not serve to make the person a party to the proceeding. Any person wishing to become a party must file a petition to intervene in accordance with 3 AAC 48.110 of the Alaska Administrative Code.

To assure Commission consideration of comments or petitions prior to a final decision on this matter, they must be filed by January 22, 1989. Any comments filed with the Commission should clearly affirm that the interested person has filed a true copy of the statement with Alascom.

STATE OF ALASKA DIVISION OF RETIREMENT AND BENEFITS NOTICE OF PROPOSED CHANGES IN THE REGULATIONS OF THE GROUP HEALTH PROGRAM

Notice is given that the Commissioner of the Department of Administration, under authority vested by AS 39.30.090 (2), proposes to adopt a regulation dealing with group health insurance coverage, as follows:

(1) adopt a regulation which will allow a bargaining unit to be excluded from mandatory group health coverage through the process of collective bargaining. Current statutes now require each eligible employee of the state, the spouse and the unmarried children who are dependent on the employee to be covered by the group policy. This regulation would allow some flexibility for a bargaining unit to obtain independent health coverage.

Notice is also given that any person interested may present written arguments relevant to the proposed action by writing to the Director, Division of Retirement and Benefits, P.O. Box CR, Juneau, AK 99811 - 0203. Comments must be received no later than January 31, 1989. Copies of the proposed regulations may be obtained by writing to the division at the above Juneau address.

These actions will not require an increased appropriation. The Commissioner, upon his own motion or at the request of any interested person, may, after the above date, adopt the proposed regulations substantially as described without further notice or may decide to take no action on them.
