The interim conveyance for the surface and subsurface estates on the lands described shall contain the following reservations to the United States:

1. A right-of-way thereon for ditches and canals constructed by the authority of the United States. Act of August 30, 1890 (26 Stat. 391; 43 U.S.C. 945).
2. A right-of-way thereon for the construction of railroads, telegraph and telephone lines, as prescribed and directed by the act of March 12, 1914 (38 Stat. 305; 43 U.S.C. 975(d)).
3. Pursuant to selection 17(b) of the Alaska Native Claims Settlement Act of December 18, 1971 (85 Stat. 688, 708; 43 U.S.C. 1601, 1616), the following public easements referenced by easement identification number (EIN) on the easement map in case file F-21780 are reserved to the United States and subject to further regulation thereby:

a. (EIN 3 C) A streamside easement, twenty-five (25) feet in width, along both banks of the Anaktuvuk River for public recreation use as it traverses regional selected land. This easement also includes the river bed.

b. (EIN 6 C4, L (6a and 6b) Two (2) trails in the John River and Anaktuvuk River areas for use by the public to gain access to isolated parcels of public land. The use of these trails is to be controlled by applicable State or Federal law or regulation;

6a. An existing trail, twenty-five (25) feet in width, following the Hickel Highway route, which closely parallels the Anaktuvuk River as it traverses regional selected land.

6b. A proposed trail, fifty (50) feet in width, roughly paralleling the left bank of the Kollutarak Creek as it traverses regional selected land. This trail begins near the confluence of the John River and Kollutarak Creek, and leads in a northwesterly direction to Chandler Lake, where it joins with trail 6e.

c. (EIN 19 C5 (19a, 19b, 19c, 19e)) A series of four (4) proposed spur trails that branch off of trail 6a, as they traverse regional selected lands, for use by the public to gain access to and from isolated parcels of public land. The use of these trails is to be controlled by applicable State or Federal law or regulation;

19a. A spur trail, twenty-five (25) feet in width, proceeding from the Anaktuvuk River area in protracted T. 13 S., R. 3 E., Umiat Meridian. The trail extends westerly up the right bank of the Akmagolik Creek to public land in protracted T. 14 S., R. 1 E., Umiat Meridian.

19b. A spur trail, twenty-five (25) feet in width, that proceeds up the left bank of Akmagolik Creek to public land near Mount Stuver.

19c. A spur trail, twenty-five (25) feet in width, beginning at the village airstrip at Anaktuvuk Pass in protracted T. 15 S., R. 2 E., Umiat Meridian, leading in an easterly direction along the left bank of the Anaktuvuk River. This easement also includes two (2) proposed branch trails extending to public lands in protracted T. 16 S., R. 3 E., Umiat Meridian.

19e. A branch trail, twenty-five (25) feet in width, which begins at trail 6a in the John River drainage and proceeds to public lands in protracted T. 16 S., R. 1 W., Umiat Meridian.

d. (EIN 22 C5) A streamside easement, twenty-five (25) feet in width, along both banks of the John River, for public recreational use, as it traverses regional selected lands southwest of the airstrip at Anaktuvuk Pass. This easement also includes the river bed.

e. (EIN 23 C) The right of the United States to enter upon the lands herein granted for cadastral, geodetic or other survey purposes is reserved together with the right to do all things necessary in connection therewith.

f. (EIN 24C) Easements for the transportation of energy, fuel and natural resources which are the property of the United States or which are intended for delivery to the United States or which are produced by the United States. These easements also include the right to build any

related facilities necessary for the exercise of the right to transport energy, fuel and natural resources, including those related facilities necessary during periods of planning, locating, constructing, operating, maintaining or terminating transportation systems. The specific location of these easements shall be determined only after consultation with the owner of the servient estate. Whenever the use of such easements will require removal or relocation of any structure owned or authorized by the owner of the servient estate, such use shall not be initiated without the consent of the owner or such improvement; provided, however, that the United States may exercise the right of eminent domain if such consent is not given. Only those portions of these easements that are actually in use or that are expressly authorized on March 3, 1996 shall continue to be in force.

The grant of lands by the interim conveyance shall be subject to:

1. Issuance of a patent confirming the boundary description of the lands granted after approval and filing by the Bureau of Land Management of the official plat of survey covering such lands.

2. Valid existing rights therein, including but not limited to those created by any lease (including a lease issued under section 6(g) of the Alaska Statehood Act (72 Stat. 339, 341)), contract, permit, right-of-way or easement, and the right of the lessee, contractee, permittee or grantee to the complete enjoyment of all rights, privileges and benefits thereby granted to him.

3. The terms and conditions of the agreement dated August 6, 1976 between the Secretary of the Interior, Arctic Slope Regional Corporation and the eight Arctic Slope village corporations. A copy of the agreement shall be attached to and become a part of the conveyance document and shall be recorded therewith. A copy of the agreement is located in the Bureau of Land Management easement casefile for Arctic Slope Regional Corporation, serialized F-21780. Any person wishing to examine this agreement may do so at the Bureau of Land Management, Alaska State Office, 555 Cordova Street, Anchorage, Alaska 99501.

No water bodies in the area are determined to be navigable by reason of travel, trade or commerce.

In accordance with Departmental regulation 43 CFR 2650.7(d), notice of this decision is being published once in the FEDERAL REGISTER and once a week, for four (4) consecutive weeks; in the TUNDRA TIMES. Any party claiming a property interest in land affected by this decision may appeal the decision to the Alaska Native Claims Appeal Board, P.O. Box 2433, Anchorage, Alaska 99510 and with a copy served upon the Bureau of Land Management and the Regional Solicitor, Office of the Solicitor, 510 L Street, Suite 408, Anchorage, Alaska 99501; also:

1. Any party receiving actual notice of this decision shall have 30 days from the receipt of actual notice to file an appeal.
2. Any unknown parties, any parties unable to be located after reasonable efforts have been expended to locate, and any parties who failed or refused to sign a receipt for actual notice, shall have until August 24, 1977 to file an appeal.
3. Any party known or unknown who may claim a property interest which is adversely affected by this decision shall be deemed to have waived his rights which were adversely affected unless an appeal is timely filed with the Alaska Native Claims Appeal Board.

To avoid summary dismissal of the appeal, there must be strict compliance with the regulations governing such appeal. Further information on the manner of, and requirements for, filing an appeal may be obtained from the Bureau of Land Management, 555 Cordova Street, Anchorage, Alaska 99501.
