We have changed our cover price...

We are proud to announce the change of our cover price. In order to boost our over-the-counter-circulation, we have lowered the price to **¢.50**. The price of a subscription remains the same due to the labor intensive measures that it takes to get the paper out through the mail.

The idea is to boost the circulation as part of the overall business plan that will ultimately bring you a better product that keeps you informed on all the information, changes and happenings that affect the Native community.

The page one photo of the dancer was taken for us at the AFN Convention by Stephen Nowers. We regret not crediting the photo to him as he deserves.
