Dear Charlie:

I am writing this letter to inform you that we would like to challenge your undefeated FNA ball club to a game between now and March. That is if you are able to come down here. If you can, please let us know soon, so as we can raise some funds to help with your travel expenses. Can't say how much we can provide, but after a few activities I'm sure we can come up with some money.

Tell John Sackett that Agnes and I said HI!

Your Winter Sports articles better bring down more than what you have in the paper. Enclosed are the statistics of our ball club, The Galena Nighthawks.

Sincerely,

Russell Sweetsir Public Relations P.S. Our water boy averages 15 points a game and he's 65!
