

Welfare Moves Chena Building

The State Division of Public Welfare, Fairbanks District, has moved its offices into the Chena Building, Room 210, 510 Second Avenue, Fairbanks.

Up till earlier this week, the welfare offices were at 209, State Court Building in the city.

"We will be better able to serve the people of Alaska as the offices are now more centrally located," said William T. Mailer, Regional Welfare Officer.

He said it would also give the offices better opportunity to coordinate with the Work Experience and Training program which also has an office in the Chena Building.
