

# Deadline is May 1 for poster contest

May 1 is the deadline for the fifth annual statewide children's poster contest for fifth and sixth grade students.

The contest is sponsored by the Older Persons Action Group in conjunction with Providence Hospital.

First place prize will be \$100; second place, \$50; and third place, \$25.

This year students are asked to depict the theme, "What My Elders Taught Me About Respect."

The theme may include respect for the law, safety, peers, health or other subject. Any medium may be used, although pencil drawings are not acceptable.

Pictures must be on 8½ by 11 inch paper. Posters will be judged by how well the message is conveyed. Artistic ability is secondary.

Students names, addresses, school grade and teacher must be clearly marked on the back of the poster. Entries should be mailed to: Older Persons Action Group, 325 East Third Ave., Suite 300, Anchorage 99501.

Those who want further information may call 800-276-1059 toll free. In Anchorage the number is 276-1059.
