

Have Underwear on When Sliding

(From Too-Sah-You-Aht)

Noorvik, Alaska

By Joshua Melton

We like to go sliding in the winter. We always go sliding by Morris. We use one-legs and coaster.

People will go set traps for

rabbit and minks. They will go hunt caribous. Some people get fishes and freeze the fishes.

Children: Don't forget to put your underwear before you go sliding ore you will freeze.
