

# Do business with a bank that wants to do business with you.

When you live far away from Alaska's main population centers, taking care of your banking can be a problem.

But at United Bank Alaska, it's not. Because we want you to have the advantage of trouble-free banking too, like all our other customers.

How? Bank-by-mail. **With postage paid both ways by United Bank Alaska**, it's practical and convenient. For checking accounts. And savings accounts. **(We pay the highest interest allowed by law, compounded daily, to all our savings customers).**

So do business with the bank that wants to do business with you. Bank by mail, with United Bank Alaska.

No wonder people are calling us The Professional Bank.
