

## How to spread the good word.

Simply find any clean, flat surface and lay down two pieces of your favorite bread, side by side. Carefully pick up a butter knife and hold it loosely in your hand. Next, pick the corner of your choice and begin spreading generous portions of delicious Sunny Jim peanut butter, jam or jelly until the bread is covered evenly.

Now for the best part. Take a bite.

Sunny Jim. It's the good word in sandwiches.
