E 400 Portable GENERATOR Gasoline Engine Power Extra DC Power 

Power to go places where there is no power—that's the beauty of the new Honda E400 Portable Generator. Take it on a fishing trip and it'll run a small refrigerator to keep your catch fresh. Put one on a boat and it'll power a bilge pump giving you more time.

When Honda introduces a new product, you can be sure it's the best in the field. And that's certainly true of the new F-28 Rototiller. Honda designers and engineers put all their know-how together to build a rototiller with all the features you could possibly want.

F-28 ROTOTILLER 

F-28 SNOW BLOWER  takes straight gas.

Big power. Small package. The famous Honda four-stroke overhead cam shaft engine provides years of trouble-free service with a minimum of maintenance.
