IF YOU NO LONGER HUNT  
THE BEAR YOU ARE NO  
LONGER A BEAR HUNTER

one man  
writes  
that  
you cannot destroy  
the  
people  
but  
I hold  
where  
the people  
surrender  
their heritage  
for  
gold  
or  
oil  
or  
money  
or  
trucks  
or  
vinyl-siding houses  
with  
electric stoves  
that  
the people  
eventually  
destroy themselves
