NEW FREEDOM SHARES

What are they?
Who may buy them?

Americans have put their savings
to work for freedom through U. S.
Savings Bonds for many years.
New Freedom Shares do the same
job . . . plus. Read how.
Freedom Shares are U. S. Savings
Notes. They pay a higher return
than Savings Bonds, 4.74% when
held to maturity. And they mature
in just four-and-a-half years.

**For regular Bond buyers
only**

These new Freedom Shares—which
are not redeemable for the first
year—are offered on a one-for-one
basis with E Bonds, but only to
people who belong to the Payroll
Savings Plan where they work or
the Bond-a-Month Plan where they
bank.

There are four denominations of
Freedom Shares, each of which
may be paired with a Series E
Bond of the same or larger denom-
ination, as a "package."

Sign up

Tell your supervisor or the Payroll
Department where you work (or
any officer where you bank) that
you'd like to join a Bond purchase
plan. Decide how much you'll save
. . . whether you want Freedom
Shares as well as Bonds . . . and
just sign the authorization card.

The U.S. Government does not
pay for this advertisement. It
is presented as a public service
in cooperation with the Treasury
Department and The Advertising
Council.
