

see photos on pages 6 & 7

A high-contrast, black and white photograph capturing a large crowd of people, likely at a protest or rally. In the foreground, a person wearing a light-colored, short-sleeved shirt and light-colored pants is seen from the back, leaning forward. To their right, another person in a checkered shirt is crouching. The background is filled with many people, some holding signs, under dramatic lighting that creates deep shadows and bright highlights.
