## *Ina, Joli to Wed*

Miss Ina Keene of Kasigluk will marry Joli Morgan on June 1. The wedding is to take place in the Moravian Church at Kasigluk.

The bride-to-be is the daughter of George and Martha Keene. Miss Keene, 23, was born in Kasigluk and until recently was active in the NYC Program at the village, being instrumental in organizing the adult education class.

Miss Keene, along with Joli Morgan who was then a VISTA Volunteer, also started a class for pre-school children. They also originated a community library which has accumulated over 2,000 volumes.

Joli Morgan, now coordinator of the VISTA Associate Program, is from Plainfield, Vermont. He attended Goddard College while in Plainfield. He has been with the VISTA Program for the past two years.

In his present capacity, he recruits native volunteers from many of the villages to work in the program.

Joli explains that he met Miss Keene the second day that he was in Kasigluk, when her parents had invited him for supper.

After they are married, the couple plans to go to Eugene, Oregon, where Joli will be on the faculty as a field training officer for new VISTA Volunteers coming to Alaska.
