HEARING AIDS

Zenith makes 18 different models. The Zenette, for instance, is so tiny you wear it in the ear. For many people it's all they need to bring the world of sound back into focus. Ask for a free demonstration. And ask about the Zenith After-Purchase Protection Plan.

## CHILDREN CAN REJECT VIOLENCE

Are children today really victims of society? Do many of them simply reflect the violence, anger, and frustration they see on television or witness in the home?

Not necessarily. Thousands of families are finding that children can just as easily reflect the love, peace, and satisfaction of their creator, God . . . if given the chance.

How? Listen this Sunday to a program entitled "Helping Children to Reject Violence."

It is part of the Christian Science Radio Series heard on KFRB, Sundays at 5:45 p.m.
