

# Fair Weather Helps Fair Fare Well

Preliminary attendance figures passes 17,000 persons at the 1965 Tanana Valley Fair which closed here Sunday night. The four day Fair was highly successful and benefited from four straight days of beautiful sunny weather.

The Fair featured many outstanding exhibits and a program that concentrated on local Alaskan talent.

Fair Manager, Janet Baird, said "Particular thanks go to the many exhibit division superintendents and assistants who work without pay for long hours to enter and display the wonderful variety of exhibits."

Mrs. Baird also paid tribute to the sixty young boys and girls who served in the volunteer Fair Guides assisting Fair officials and helping Fair visitors. The Fair Guides program will be continued next year.

The Fair Board is already at work planning the 1966 Tanana Valley Fair which will be the official State Fair of Alaska. The theme for the 1966 Fair will be "The Frontier Family."
