

LOCAL HIRE ON VILLAGE CONSTRUCTION PROJECTS?

Others talk about it. But Eben Hopson makes it happen at Pt. Hope, and in other villages of the North Slope Borough.

A new \$6.7 million elementary/high school rises in Pt. Hope. Under the construction management of NANA Construction, Inc., three out of four workers on this project are Pt. Hope residents earning full union scale wages. Over \$2 million will be paid out in wages to Pt. Hope residents on this project alone.

Others talk about local hire on village construction projects. Eben Hopson makes it happen. A good reason to
