Dear Ms. Sather:

On behalf of the *Tundra Times* Board of Directors, the shareholders of The Eskimo, Indian, Aleut Publishing Co., our readers in your Borough, we would like to nominate that the borough school district building be named after our late editor Howard Rock.

The Company and *Tundra Times* were founded, not too far from the building's present location. Mr. Rock was also one of the founders of The World Eskimo-Indian Olympics and the Institute of Alaska Native Arts.

There are many individuals, organizations and businesses, both Native and non-Native, who thrive in the Interior because of the efforts of the late Howard Rock. His influence and legend is well-known throughout the nation. Currently, there is nothing physical, neither monument or building in the Fairbanks area, to pay tribute to the man, and we feel the naming of the building would be a most fitting honor.

Respectfully submitted,

Marilyn Richards
