

Portable Shower

• **SHOWER ANYWHERE**, a portable shower that can be used in homes that do not have running water, or at camp sites.

Lightweight and Compact it is powered by a maintenance-free battery or from a 12 volt lighter socket. It has a 7-ft long shower hose. The unit does not require external plumbing or electrical connections. The shower can be used for basic hygiene, water storage, dish washing, emergency treatment, or game processing.
