

**STATE OF ALASKA
NOTICE OF PROPOSED CHANGE
IN THE ADMINISTRATION OF
OLDER ALASKANS COMMISSION PROGRAMS**

Notice is hereby given that the Older Alaskans Commission, under authority vested by Alaska Statute 44.21 and the Older Americans Act as amended, announces its intention to plan for the development of a Planning and Service Area for aging programs for the Anchorage municipal area.

Any interested person may present written statements or arguments relevant to this action by mail to the Older Alaskans Commission, Department of Administration, Pouch C, MS 0209, Juneau, Alaska 99811, prior to May 24, 1983. Oral statements or arguments may be made in person at the Older Alaskans Commission meeting to be held in May 31, 1983 at Baranof Hotel in Juneau.

The Older Alaskans Commission, upon its own motion, may thereafter adopt the development of a planning and service area as described above without further notice, may modify this action in response to comments, or may decide to take no action.

Please submit written comments to: Jon B. Wolfe, Executive Director, Older Alaskans Commission, Department of Administration, Pouch C, MS 0209 Juneau, Alaska 99811.

DATE: May 2, 1983

Recruitment Announcement

Employer: Yukon-Kuskokwim Health Corporation
Title: Remote Maintenance Worker
Duties/Responsibilities: Provides assistance to ten (10) lower Yukon River villages with operation and maintenance of community water and sewer systems. Will be stationed in St. Mary's and travel regularly to Russian Mission, Marshall, Pilot Station, St. Mary's, Pitka's Pt., Mtn. Village, Emmonak, Alukanuk, Sheldon Pt. and Kotlik. During each village visit the RMW will:

1. Trouble shoot problems with local operators.
2. Assist with ordering replacement parts and making repairs.
3. Provide local operators with on-the-job training.
4. Determine the adequacy of existing sanitation facilities.
5. Help identify capital improvements.
6. Assist communities with emergency repairs as needed.
7. Review the user fee schedule and determine if the funds collected are adequate to operate the system.

Technical assistance for the RMW will be provided by the Alaska Dept. of Environmental Conservation and the Public Health Service. The City of St. Mary's will provide shop space, clerical support and local transportation. Housing in St. Mary's is the responsibility of the RMW. Tools will be provided as needed.
Qualifications: Must have at least two (2) years experience repairing pumps, generators and boilers and have a working knowledge of plumbing and electrical systems, a basic understanding of water and wastewater treatment processes; a positive attitude about and aptitude for working with village people; and a willingness to travel to remote locations in small aircraft.
Salary: \$40,000-48,000/Annum DOE, plus liberal fringe benefits, for an employment period beginning in the summer of 1983 for 12-18 months. Funding beyond March 1984 is dependent on legislative action during this current session.
