**Bill St. Claire wrestles
with some pretty
unweighty problems.**

Bill St. Claire didn't grow up poor, but he knows what it's like to struggle financially, straight through college. He and the other men in the Anchorage Elks and Lions Club know the favoritism competition among youth and believe it's available in the development of government and business.

That's why Bill and his fellow Elks and Lions devote many of their weekends to programs such as their wrestling tournaments for kids.

During the week, Bill wrestles more weighty problems helping Atlantic Richfield exploration and production in Alaska.
