

Something happened last week in 62 villages in Alaska from Angoon to Allakaket, from Kaltag to Klukwan, from Hoonah to Holy Cross, and from Saxman to Shageluk. Last week the Tundra Times received orders for 208 new subscriptions in 62 Alaska Native villages. To help celebrate the coming of spring to Alaska's villages, the Tundra Times offers village people new subscriptions at a special rate of \$1.00 per month on one year subscriptions or \$12.00 per year. No other newspaper in Alaska can match that offer. The Tundra Times invites readers in Alaska's villages to help celebrate our fifteenth year of publication with these special rates for village people. Who says that everything costs more in the villages? See page 5 for details.
