

**"WE'RE IN A NURSERY, OUR MOMS ARE AT SCHOOL"** — These two angelic children are in the nursery of the First Methodist Church in Fairbanks being cared for under the supervision of the women of the Methodist Church. The women of the Presbyterian Church are taking care of the transportation of the children and their mothers. The children's mothers three afternoons per week are taking a three-month homemaker course at Hospitality House. Sixteen mature women are taking the course with emphasis upon how to stretch a dollar and all phases of home management from nutrition and buying to sewing and child care. —University Extension Photo
