

Laura Bergt On Alaska Plan Policy Board

ANCHORAGE — Ms. Laura Bergt of Fairbanks has been elected to the Alaska Plan Policy Board, a group bent on making sure that Alaskans get the first crack at job opportunities in their state.

"Ms. Bergt is a strong advocate of equality of people in all walks of life," said board chairman Clifford Black. "We have a board that believes in equality, brotherhood and compassion and she'll fit in. I'm sure she will continue to work and express herself the way she has so admirably done in the past," he said.
