

EDA Awards \$500,000 For Bethel Facilities

JUNEAU — Gov. William A. Egan said recently the Economic Development Administration has awarded a \$500,000 for improvement of docks and cargo shipping facilities at Bethel.

The state will provide a \$500,000 matching grant to complete the \$1 million project.

The federal funds were approved under the Public Works and Economic Development Act, which provides for needed public projects and creation of jobs in areas of high unemployment.
