**Alaska's New U. S. Representative**

*I deeply appreciate all the help I received from Alaska Natives. The Natives will now have a friend in Congress who will work very hard for them. The Native land problem is a major item of interest to me.*

## **District 15 VOTERS!**

*Thank you very much for your vote of confidence in us. Together with your help we hope to ably represent our district during our time in office.*

*With deep appreciation we give  
our sincere thanks.*
