

# tax deductible

## benefits for the self-employed

As a self-employed individual, you can now apply 15% of your annual earned income (up to \$7,500) to a qualified retirement program and pay less than you are now in current taxes. Let us show you how to use those tax-deductible dollars to build a tax-deferred pension plan. It's a program especially for self-employed individuals... from United of Omaha. Mutual's life insurance affiliate. Call today for more information.
