"Where the Best Costs No More"

8th and Noble 456-7722

Made from a star-spangled recipe that's 25 years old

The cake above is something we whipped up to help celebrate the 25th birthday of the United States Savings Bond program.

Although there will be no confetti, no horn-blowing—in fact, no party—there are a number of reasons to celebrate this quarter-century observance.

Since the first one was sold on May 1, 1941, Americans have bought more than \$150 billion worth of Series E and H Bonds and still buy them at a \$4-\$5 billion-per-year clip.

About \$100 billion have been cashed and spent for homes, college tuition, new cars and furniture, emergencies—and helping dreams come true for millions of American families.

Over half the Bonds bought are purchased on the Payroll Savings Plan—a voluntary, automatic plan that works wonders for people who might not otherwise save a nickel.

Today there are outstanding almost \$50 billion in Bonds—a solid financial rock for millions of Americans.

And today, Savings Bonds are a sure way for all Americans to support our men in Vietnam. While they are there; none of us can remain aloof on the sidelines.
