JACKSON SUPPORTS CONSTITUTIONAL AMENDMENT ON SUBSISTENCE

Barry Jackson, Democratic Candidate for State Senate, District "O" (West Fairbanks) has advised the AFN that he supports AFN's position on, and will vote for, a constitutional amendment on subsistence. His opponents in the general election include incumbent Republican Senator Steve Frank, who voted against the amendment and is committed to do so if reelected.

Jackson is a former state legislator, serving on House Finance in 1965-66 and as Chair of House Judiciary in 1969-70, despite not being a member of the majority. No stranger to Native affairs, he conceived and drafted most of the structure of ANCSA, including regional and village corporations, selection of lands by Natives, restrictions on sale of stock (he proposed 100 years), free fire fighting protection by BLM, and tax exemption of undeveloped lands. He holds 220 shares of Tundra Times stock, was a long time board member and board chairman, and served briefly as Acting Publisher of the Tundra Times. In 1965-66, on House Finance, he arranged for Food Stamps to be distributed in the villages.

Although he has not represented native corporations and non-profits for many years - he is now an attorney specializing in representing families and small businesses in financial distress - he has retained an interest in Native affairs.

"I look forward to working with Eileen McLean, who once worked for me in my law office, and other rural members of the Legislature. Fairbanks needs to build up its relations with the bush, in order to strive for a Quality Society, in a Quality Environment, throughout Alaska, in which all Alaskans are encouraged, and given the opportunity, to be the best they can be."

"I ask for your vote and a contribution, now. Even \$10.00 is a help. Drop it off at my office, 527 - 4th Avenue, Suite 203, or mail it. Call me if you want to know how I stand on 'your' issues, 456-7791, home 479-3528."
